

Lebanon COVID-19 Travel Update – July 6, 2021

Tourists aged twelve and up must have proof of a negative PCR test taken in the previous 96 hours in order to board their flight. Another test, which costs \$50, is required upon arrival and the person must quarantine for three days. People who were fully vaccinated 15 days before arrival, or who have documented proof of testing positive for Covid-19 more than 15 days earlier, or who have an IgG positive test showing sufficient antibodies, are exempt from testing and quarantine requirements.
